“ *Jim Alexander: My youngest memory of Jeff was going out to the farm on Fourth of July. Lots of fireworks. Firecrackers under cans that shot into the air and shooting frogs in a well head with a BB gun. Jeff always the outgoing one. Have not seen him in decades. Rest Easy.*

“ *76 years of memories is a lot, but they are all good. From adventures "going to the back" at the farm as kids to hours long phone chats as seniors and "life" in between you have always been the BEST Big Brother. Love you and miss you. ❤️❤️ Becky*
