“ I live next door and remember meeting Jenny for the first time. She was 12 years old. As a young mother, Jenny was always coming over to entertain my little ones. When my children grew up and left home Jenny always asked about them. She had a loving and caring spirit and never failed to say “I love you” when parting. That smile of hers would make your day. Through the years I have watched her grow into a beautiful woman with that same smile, and that same love and caring spirit God had given her. Jenny, I will miss you sweetie as you become an Angel in God’s arms. ❤️
