*I'm so deeply saddened and heartbroken at your passing. It came way way too soon. We prayed and prayed and just knew we would receive our miracle. We were so positive and kept believing and your faith was so strong. You were truly amazing and an inspiration. A true warrior of strength and determination. Jenn my daughter in law and she continued to be my daughter in law after she remarried. I will always cherish our time together and especially the day we made a little video. It was priceless and you said you would ALWAYS love me and you hoped I would remember you ALWAYS. I promised you then that I would ALWAYS remember you. I can't imagine not. You were so amazing and so dedicated to beat this journey you had to go through and I was so proud of you. We looked for a miracle and prayed for you to be healed. In God's way you were healed. No more pain and completely whole again. You are now walking through your mansion and hearing the Lord welcoming you home and seeing all the beauty to behold in Heaven. You now have gained your wings. I will miss you dearly and I will always and forever keep you in my heart 💕. Until I see you again I love you ALWAYS and FOREVER. Give Clay my love and a hug..*
