“ My father, Dale Roberts, was very sorry to see that Jerry had passed. Dale, Jerry and another friend, Jimmy Blakeslee, were at Broad Ripple H.S. together, and it sounds like they had some adventures! Dad related how the three of them got a canoe and camped out on an island in the White River. Jerry and Dale also helped each other out with their newspaper routes when they were in school. Our condolences to your family.

“ I have fond memories of Jerry. He handed over Clover Lamps to me when I started on my own in the furniture business. I enjoyed meeting Micke and Steve out on the rode. God bless all of you. ED Sauer, Town Square rep.
