“ *I've known Jerry for 25 years. Met him while dating my husband, Terry Stevenson. We moved to Florida in march of 1991. And Jerry would come to PCB, FL every october for the whole month in a condo. Met his wife, Mary and then we became good friends. Would always go camping for a weekend while they were with their dog Sheba and our two dogs Princess and Chewy. Always, always had a blast. His humor was unbelievable! And his wife Mary as well. What a fantastic couple! He will be missed so much!! They both were there also when my mother passed away and my younger brother. What great comfort they were!!*

“ *The skies over future WCHS Class of 1959 reunions will be a little brighter because we have lost one of our radiant members....Jerry Martin...to the heavens.*

Jerry and I first met in the sixth grade and through the next 6 years spent many a good time together....especially Sunday nights at MYF at Irvington Methodist Church. One of my favorite HS memories was when Jerry formed a Kitchen Band for a Talent Show. He gave us each a name. He was Jerry Martini.

In our recent years as hundreds of miles separated us, he still kept me informed of the comings and goings of our classmates. I always looked forward to his e-mails because I knew they would bring a smile.

I'm sure Jerry must have had a serious bone in his body, but it was never evident to me through all these years. I loved him for his unique sense of humor.

Jerry, we will miss you, but always with smiling memories.

“ Worked for Jerry years ago. His energy, intelligence and sense of humor were gifts to all who knew him. More recently, became reacquainted thru Kelli and Castleton Trophy. Was like no time at all had passed. My thoughts and prayers are with his family now. I'm sure Jerry is making St. Peter and all the angels in Heaven laugh while we are all crying.
