“ *My heart hurts so much for Bella, your Mom and the rest of your family. You were such a kind soul and I'm so grateful we reconnected. I'm sorry that we didn't get the opportunity to visit in person! I hope everyone can find comfort in knowing you are at peace and that they continue to keep your legacy alive. 35 years of friendship is more than many people get and although we weren't in contact all that time, it was like we never let a day pass by, the conversations we natural. Until we meet again my sweet friend!*
