“ *Such a beautiful girl taken too soon from this world. We enjoyed her visits to our church for various functions. She was a sparkle and delight. Many times she walked across the field from Blossom Trace Subdivision where she lived to visit Cody who lived nearby. I can still see her - such a happy little girl. We pray that the Lord Jesus will comfort her Mother and Father and all relatives and friends. Geist Apostolic Church, McCordsville, IN Pastors Joseph and Sylvia Horner.*

“ I first met JESSICA when she came to our door to sell items for a fundraiser. She was very friendly and did a good job of presenting the product. Ever since that she always said hi and was always asked how I was doing, etc.

Donna, Michael, family & friends, we are so sorry for your loss. You are in my thoughts and prayers during this difficult time. May God just hold you in his arms.

*Sincerely,

“ My name is Anne Ash and I am an Instructional Assistant at Mt. Vernon High School. I will never forget the first time I met Jessica. She was a Freshman and had Art with Mr. Larson and I was an assistant in that class. Right away I noticed her cute, little, gentle smile. We both saw the humor in things, especially my lack of artistic ability. Then, for the remainder of her time at Mt. Vernon, I saw her in the hallway and she always stopped and talked to me. I loved running into her at Kroger, and I introduced my husband to her. She just had that cute, fun, little way about her. My condolences to you, Michael, and all of your family.
