“ I was able to meet Jesse just once, but I heard only nice and wonderful things about her for years before and after the fortunate, for me, day.

I've known Mike since our Little Flower! The “bad” Mike White was truly blessed with Have Jesse in his life for all those years. Now Jesse is looking over Mike and their son. I know that doesn't make losing her, but Mike she is with you always in spirit. Mike, retire, enjoy life while you can, spend time with your son, and bring him down to Florida brother!! I am so sorry for you loss.

“*My heart goes out to all that knew her and the kind and caring person she was to all, even strangers. She cared for my dad when he was sick in the hospital and I will never forget the extra care she provided to make him comfortable till his passing. To all the family she was a blessing and will be remembered for her patience, kindness, smile, and being wife and mother. God does so many things we can't understand but know she is with many other great people from our extended family and is at peace. Gods speed and say hi to them all.*
