“ I'm so sorry to hear of Jill's passing. Jill was an inspiration as a dynamic, progressive and creative leader. I learned so much from her in the many years I was at Community and am thankful for her mentoring and encouragement. She will be missed.

“ I am so sad to hear this. Jill and I were friends at St Ursula. We worked at Kenwood Theater at the concession stand and I remember visiting her at Miami U freshman year. She was so smart and pretty darn spunky way back then..you are,all in my thoughts and prayers. Barb Barloh

Like Barb Barlow stated above, I too am sad to read of Jill's passing. I remember her as a very sweet girl back in our days at St. Ursula. She was quiet but that is probably because she was listening and learning. She was one of the top in our class. I am sending good thoughts and prayers to her family. Rest In Peace Jill.

“ *I was involved with the interview process when Jill first came to Community and have considered her a long time professional colleague but more so a friend. She was encouraging and positive and we always talked about our Michael's (my son and her nephew). She supported my daughter on her mission trip to Venezuela and made sure every conversation included recap of both of our families. She was an animal lover and a lover of people. She was a strong advocate for employees and made sure that their perspective was considered and represented. I am proud to have been her friend.*

“ Dear Susan and David,  
Sharing with you the sadness that Jill has passed from the life of this earth....  
Her goodness remains not only as a memory or a legacy, but as a gift that remains alive because it was shared with so many that it is part of our lives as well. As her teacher at St. Ursula and as we encountered each other since then, I have always appreciated her gentle spirit, large heart, and quick mind. God bless you all!

“ *Jill Parris was one of the nicest most gentlest human beings I have ever worked with. She exuded care and compassion in all that she did. I would often times see Jill at Sunday Mass at Little Flower and after the service she would always spend a few minutes with me and my 2 daughters. She was a forward thinker and open to new ideas and strategies in support to our workforce. I can see it now, my beloved Dale (Ricky Dale Fleming) welcoming her up above into Heaven with his long strong open arms-probably picking her up off her feet with joy in seeing her:) i shall never forget sweet little Jill Parris! RIP!!*

*I was stunned to hear about Jill's death. She told me once she wanted to be remembered as being a kind person - she was indeed one of the kindest ladies I've ever known. May she RIP.*

“I did not know Jill Parris personally because I came to the Community Health Network family after she had retired. But I have heard some very warm and kind memories of her and her lasting touch and memories of a strong legacy of dedication to patients, families and the caregivers and staff of Community Health. Just hearing these words have touched my heart and spirit in a meaningful and passion-filled way. Thank you Jill for the wonderful vision of the P.R.I.I.D.E. values and the many lives you touched that have now touched mine. I send my sincere CONDOLENCES to Jill's husband and other family members as you journey in this season of loss. May God's Comfort and Strength Sustain you in the days, weeks and months ahead. And May the Precious Memories of Jill bring you Joy and Love always.

*Blessings to all of you,

“I met Jill when Westview Hospital joined Community Health Network. She was a wonderfully warm, funny, caring lady. She had an amazing talent for setting everyone at ease and making us all feel that we were each the most important person in the world when we spoke to her. Heaven couldn't have called home a better angel.
