“ *Dear Bonnie,*

*Knowing Jimmy was pure joy. I loved his accent, funny stories, and the way he loved this neighborhood. Just think....now he and John can watch over the street, chase the crooks, and worry about their lawns and dogs. You two were such a sweet and kind couple. I know your heart is breaking, but you took such wonderful care of him. Let us help in any way that you can. And always remember.....it was Jimmy's fault that the chicken and noodles was too salty. I just know it! I am just across the street if you need someone to talk to or cry with. But for now....get some much-needed rest. This will be a hard "good-bye" but he is in perfect health now with the God that blessed him so.*

*Love,  
Deb Hall  
Your neighbor and friend*
