“ *The Noblesville High School Class of 1965 sends a message of deep sympathy for your loss, as well as ours. 5 days after Jimmy passed we had a reunion of the class, celebrating our 75th Birthdays. Right before the gathering classmate Greg Fisher received notice from classmate Suzi Thatcher Burnett, and we were able to memorialize Jimmy, along with other deceased classmates. Jim and I spoke a couple of times after our 50th & 55th Reunions. I was so happy to hear of his many steps thru life.*

I wish I had known. I would have tried to be with him at the end.
