“ I met Joan through the Next Door app when I found a wounded baby Robin. Joan was the kindest most giving woman I've ever met! Anytime I came to her house and mentioned I like something she would insist on giving it to me! I finally learned to never say I liked anything because I knew she'd give it to me. I counted a privilege to have been one of her friends and sisters in Christ! Will continue to pray for Jerry as he does all the things that must be done and ask the Lord to walk with him through this sad time for him.
