“ *Our Grandma washed sweetest woman I've ever known! Always loving with welcoming arms! She had class, great style, so much talent & everything she baked or cooked was excellent She hated that she couldn't cook like she used to for us but it didnt matter to me because anything she made was always the best! She always had little traditions that made you feel special & I'll have great memories of her & my grandpa & the true love they shared. I am so glad they're together again but can't help to miss them.*

*Love,  
Charity*
