“ *Joanne was one of the first people I met when I moved here from California 14 years ago. I loved her dry sense of humor and shared a love of animals with her. I'm really going to miss you, Joanne*

Joanne, a good friend with a quick wit as well as tender heart. Joanne would try to save any creature even a mouse from the wood pile. She would catch the little mouse and set it free outside. I will miss her more ways than I can count. Peace be with you, dear one.

“ *Joanne's been a part of my life for about 28 years. We've shared so many laughs and lots of tears. She was so open and honest about herself. I loved her sense of humor, her empathy for others, her love of animals. She was such a great mother, grandmother, great grandmother. She was so proud of each member of her family. So many thanks to her Ken and Stacey for always being there for her. She finally wanted to share herself and her life when she found Sue. Thank you, Sue, for the happiness you brought to her.*
