“ to the family of joanne I am so sad to hear of her passing. Trudie and I have loved the times we have spent with them since they were married. Her and Trudie as school girls would travel from the Boy Scout Camp up Fall Creek Road to Trudies house on top of the hill. I heard many stories. I would like to think that Joanne and Trudie are in heaven still playing. God Bless you all. Bill Duncan.

It is with heart felt compassion that I post this comment about our loving Mother. We had so much fun as kids going on many vacations to Florida, going to Longacre swimming pool, she always loved getting a nice suntan, she always made sure we had everything we needed. She was a sweet loving soul and always wanted the best for us. She will truly be missed but since she gave her heart to Jesus and is now in His presence with her other family members who welcomed her home in heaven. I know that she is now in a better place and will welcome us with open arms when our life on this earth has run its course. So we now say see you later Mom and thank you for loving us through the tough times of our lives. Anyone who does not know Jesus as your Savior please take the time to seek Him today so you to will be able spend eternity in His presence. Romans 3:23, 6:23, 10:9-13. John 3:16, 14:6
