“ You just know it when you are in the presence of someone special. God lets us know. Mrs. Rushton, mom, your home became my home away from home. I will never forget your kindness, never, ever. The first and only time I drove a dozer was in your backyard with my brother Scott. Love y'all,
Tony

“ I am sorry to hear of Jo Rushton's passing. The family has my deepest condolences. She was well liked and was a very popular stalwart at Winona Hospital. Her ever present, ebullient personality, and unwavering persistence to medical detail as a Utilization Review Committee nurse was deeply appreciated. Jo loved Indiana Basketball and was quite expressive when Bobby Knight was emotive at the referees. She made many ornaments for me over several Christmases that I wore as a sash during the season. She was truly a great lady that I will always remember and admire.

“ So many great memories with Joanne and Phil but I guess some of the best are watching how much they both loved their kids and grandkids!
They both will be missed but also celebrated by all who they have left behind.
So many good life lessons.
May God grant Joanne's peace and comfort during this loss
