“ *A sympathy card was purchased for the family of John V. Cunningham.*

“ *I've known John and family for many, many years and my condolences go out to Norm, Donna and family, including my friend Paul.*

We have done business together for 20+ years and I will truly miss hanging around in John's office and chatting about anything and everything. We'd chat and he would play computer golf, one of his favorite past times. A lot of times he'd be sitting there with his dad Norm and Paul around the lunch table by the wood burning stove. John had a kind soul and will truly be missed.

Godspeed my friend and may your journey end in peace and tranquility.

Thank you Scott for the lovely remarks about my brother John, he was indeed a kind soul. John is survived by our sister Barbara Grass and me, Connie Walker. And he was predeceased by our brothers Dean Long and Mickey Long. Mother to us all was Betty Weaver Long Cunningham Beals. Unfortunately, John's unmentioned family was not permitted to pray for him because no one knew he was even in the hospital. What a shock to find out he passed by discovering John's obituary on the internet. Rest In Peace John, you will be missed. Love you always, your sister Connie.

*I see after my January 28 post that the original obituary was changed to include the omissions I pointed out. Barbara (Long) Grass, Dean Long, Mickey Long and I exist. We are NOT STEP brothers and sisters to John. We are half brothers and sisters..we share the same mother, Betty Weaver Long Cunningham Beals.
