“ It’s been 14 years without you. It still feels like it was just yesterday when you were here with us. Playing corn hole, watching fireworks, celebrating birthdays and you being full of life. I’m so sad you’re gone. I wish you would’ve decided to stay here with us. I’m so sorry that you dealt with so much pain. I wish I could’ve taken all that pain away for u. I’ll never forget you and all the happiness you brought me. I love u so much my sweet stepdad. Gone, but never forgotten. One day I’ll see you again. I like to think ur watching over me, mom and ur two kids. Plz know u were the best and I love and miss u so much. Love always, your stepdaughter. 3-22-23. Until we meet again. Love u always.

Was thinking of John today. I was just a small shop owner as electronic stores go but John always treated me like I was his top client. I closed in 2008 when times were tuff. I ran into a friend from another shop and ask about John and was shocked to hear the news. I just wanted to say I considered John to be a friend and he was one of the finest men I ever met.
