“ One of my all time favorite families, McDowell's, I am deeply sorry for the loss of this great man in your lives. My thoughts and prayers are with you always. "Mr. McDowell" will always be remembered as one of the funniest dads in my child hood/earlier days. One of my favorite stories Shawn and I were just talking about is when he knew we had been drinking the night before, he would pull the lawn mower up to Shawn's (basement) window early in the morning, start it up and yell...Paula! Where's Shawn?! There are many others like this...wish I could be there for the service to laugh with you all as you tell your stories. Rest in peace Mr. McDowell. Love, No Shoes Crispino
