“ Mikey, we were best friends since we were able to walk. We did everything together and I apologize for not being there for you at the end. With COVID-19 and all the restrictions I wasn't able to see you. You will always be in my thoughts and I'll miss you because you were more than a friend to me you were my brother. I know you are in a better place now and do say "Hi" and give everyone a hug for me when you see them! I love you and I will miss you! Your other brother on Grant St.! 🥺❤️
