“ Nancy and family, my heart aches for all of you. What a void this will leave in your hearts and lives. John was a generous, kind man, a wonderful boss and friend. I am grateful for the time I enjoyed working at Lamson and Condon and have so many great memories of birthday celebrations and Christmas parties and bidding on and being awarded so many projects and celebrating when they were completed. We will pray for peace and comfort for you in the difficult days ahead.
