“ So very sad for the entire Mallon family for their tremendous loss. At the same time, I am enlightened that Jack in his last hours would kindly request to have donations sent to Michel Perruse who is in the cancer battle for her life. Having known the Mallon family for almost 50 years, I am not the least bit surprised. They are loving, compassionate, always giving to others and the best friends one could ever have. I have a place in my heart for Jack who embodied all of these characteristics plus he demonstrated amazing spirit, determination, and grace as he dealt with cancer treatments for five long years.  
Sending love and prayers.

“ Barbara and John I am so sorry to hear about Jack. My heart and my prayers are with you. I remember when Jack first saw me with my own cancers without my wig. How he spent a whole lot of time with his concern for my well-being and how well I looked without the wig. And how I look like a particular singer. I've always enjoyed being around Jack and he was always an up person. I will miss his presence in this world. With our warm love and empathy at this time. Kathy and Steve Jones Lana

“ Jack embodied love and kindness, always exuded an incredible positive spirit even amidst and during his terrifying health challenges, and radiated an all-embracing spirit in our frequent encounters over the decades that we knew him. It is hard to fathom his inner strength during his last five years of immense struggle and always rising above his personal concerns and thoughtfully inquiring about you. This was Jack Mallon - a noble soul, a compassionate heart, an optimistic spirit, a beautiful, kind, and fragrant flower - a personified lesson in goodness to remember, celebrate, and to honor. Thank you Jack! Sending Loving Thoughts as to Travel Toward Your Place Among the Stars!! Rest in Peace!!! ~ Your friends, KP Singh, Janice, Jay, and Robbie - Indianapolis, Indiana USA - June 6, 2019
