“ *Good ol' Pops!! Such a sweet man with a beautiful smile! I can just imagine the reunion you are having with Mom Roeschlein!! I just know that she was standing at those Pearly Gates when you arrived and said, "Get over here you!" and let loose with infamous laugh followed by a very fierce hug! Although you are leaving a void in our lives, it's comforting to know that you have now gone full circle and are reunited with your loved ones in Heaven! May you rest in peace Pops! All my love, Wanda*
