“ *I want to extend my thoughts and prayers to the friends and family of John, especially his kids during this difficult time. John was a great colleague and we shared many talks about family, our kids, and just what we our plans for the weekend were. John answered all of my silly work questions and always tried to ease my mind by saying, "you know what you are doing." I will cherish the time I knew John and all of our conversations. Rest easy my friend!*

“ *I'd like to extend my deepest sympathy to the friends and family of our dear colleague, John. He was such a treasured member of our team—always ready with a helping hand, kind word, or a good laugh. He brought intelligence, professionalism, and warmth to everything he did, and it was a joy to work with him. We cared for him deeply, and it was clear that he felt the same about us. Our hearts are heavy with his loss, but we are incredibly grateful for the time we shared with him. May your memories of John bring you comfort in the days ahead. - Juli M.*
