“ *Sad to say that I didn't know him very long, however, the few years I did know him, he was an amazing guy and always had a positive outlook on life. He was take from us way too soon and didn't deserve to die at such a young age. He was loved by many and will be so greatly missed! I am incredibly sorry for his family's loss. He was such a great guy and touched so many people's lives. I'll never forget him.*

“ *We shouldn't be making comments. Cody was too young and such an amazing person for him to have passed. But yet, here we are. I've been given the incredible honor of knowing Cody since elementary school. He wasn't just a friend; he was a very important person in my life. We had been through so much together. Cody was so many things to so many people. A son. A doggie dad. A friend. He always wanted to try new things and push himself. I admired the passion he brought to his work, his family and his beloved puppy son Cain. I will miss him as my friend. I will miss him as a person that did change my life.*

“ I am so sorry to hear of the death of Cody. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.
