“ I am so sorry to hear of the death of Lorri. The passing away of a loved one is always with much sorrow. May we have faith and confidence in the Bible's promise of a time when pain, sickness and death are a thing of the past (Revelation 21:3, 4). My condolences are with the family at this difficult time.

“ Bruce and Shelby, I was a part time instructor at Riley Dental Clinic from 1980 to 2012 so I knew Lorri for several years. I remember her as always having a happy attitude no what was happening in her life. I go to Haiti on mission trips every February and on several occasions she made sure that I got a lot of equipment and supplies that were being discarded by Riley, some of which we still use. Lorri was always friendly to not only me, but everyone she came in contact with. I will always think of Lorri as a friendly, kind and caring person. I am sure that you and anyone who knew her feels the same. My prayers are with you Gary Hinz DDS

“ I had the honor of meeting and getting to know Lorri during residency. As often happens, the dental lab became a safe haven from the stressors of the dental life. It was not the model stone or the alginate that brought relief, but Lorri. She could always put a bright spin on a tough day with stories of her family and her faith. I was, as we all were, blessed to have a friend such as Lorri.

“ I was one of Lorri's patients at Riley Dental for many years. She was kind and generous to everyone and we would always joke and kid every time I had an appointment. You will be in our memories forever. Rest in peace, dear friend.
