“ Earlier today I've learned that one of the business owners we have known has passed. The owner of Evan's Chips passed away on December 17th, 2014, and we've been carrying his products for 10 years. He will be missed; but not forgotten, for he was one of the mom-and-pop businesses that helped out other mom-and-pop businesses. When we went looking to a distributor for snack and chips, we discovered Evan's Chips and developed a businesses relationship and friendship with Johnnie Evans. On behalf of The Bait Barn, we will miss our friend and cherish those moments we have had with him. Our thoughts are with his family through this time of grief. - Richard McCullough? & The Bait Barn Crew
