“ *My dear Jona,*

I cannot believe you are gone. I can still remember all the many hangout seasons we had together. Always goofing around, never a dull moment. Remember our Rush concert together, what an epic time and band to see live. You will forever live in my memories. RIP

“ Jona,
I watched you grow in your Mama's belly,
kissed your sweet face when you were born.
Held your hand on walks with my Son, cheered
for you as you tried new things.
You made me smile, simply be your presence.
You made me laugh with your silly sense of humour. I prayed for
you throughout your life, now I rejoice with you in praise to our
Saviour JESUS CHRIST, as you now live in HIS presence
worshipping HIM eternally. My sweet, funny girl, until we meet
again. I love you, Uncle Davy loves you too. Thank you for blessing
our lives I with yours.
With Love Always,
Until we meet again,
Aunt Terry

“ Jona , I'm so sad inside and can't believe your gone . I so happy u were apart of my life . U helped me get through a lot , depression,moving divorce . U taught me how to have fun again and how to live life. I have so many happy moments with u . As I sit here at home and look around my house I can see u dancing talking and laughing together. I picture u decorating and moving stuff around . Then we would sit and talk for hours . U were a ray of sunshine to me and everyone your path crossed honey . I thanked god for u .. Sunshine ..There were a lot of nites we would dance all nite long and with all the men n the bar . U showed me and taught me to shake it baby .. What fun we had u were a great friend, singer, artist and ur beauty was inside and out . U were true honey . I'm so glad god brought us together and we became great friends . I know we lost touch for awhile but we stayed connected through Facebook . I will miss u always and think of u everyday . I'm having such a hard time with ur passing. I miss u I miss my cell lighting up with crazy posts and were ya at and what ur doing . I question god why he needed u but ur the perfect angel to sing to him . Rest with peace and love my friend till we meet again my angel ,I will always miss u . I love u ...fly with angels
