I want to express my sincere condolences to you and your family on the loss of your son and brother far too soon. I can tell from what others have said that Jordan was someone very special. “ Jordan was one of the funniest & most genuine people I got to know as we were growing up together at Westlane and NC. I believe he had a true impact on everyone he met and I'll always have fond memories of our time together in school or hanging out at each other's houses.

My deepest condolences to his family.

“ My condolence's to the family, friends and loved ones. In the short time I grew to know Jordan, we worked together, shared interests, inspirations and future motivations. I found him to be sharing, giving and caring and concerned about everyone around him. He will be missed but not forgotten. As I tell those I served with that are now departed this world, Jordan I will see you again, another day.

“ *Please accept our sincere condolences on your loss. I just remember Jordan as the cutest little blonde boy at preschool. He wasn't just physically cute, he had an adorable way about him. We loved having him play at our house. He was such a joy. I know he was loved and cared for by a wonderful family. May his memory be a blessing*

“ *I have been so blessed to work with Jordan my entire career at REI. We shared a lot with each other, both good and bad, and were always there for the other one. I'm going to miss him walking into the office saying, "What's up chicken butt?", which is a line from a birthday card I gave him. Jordan had such a kind soul and was willing to help anyone. My sincere condolences to his entire family during this difficult time. Fly with the angels my friend until I see you on the other side.*

“ *I was so fortunate to get to know Jordan over the past several years. Jordan had such a huge heart and was so kind to everyone. One of the things that I will miss most about Jordan was his knack to make everyone laugh and lighten up any situation he was a part of. Jordan was a valued part of the REI family and will be greatly missed. His spirit and memory will live in all of us and we will all be better for it. My thoughts and prayers go out to all of his family and his wonderful friends during this time. Rest in Peace Jordan.*

“ Jordan was one of the best people I knew. He was one of the most giving and caring friends I have ever had in my life. I only knew him for a couple of years but he was always someone who would be there for you when needed. His passing cuts deep, it really sucks. I will continue to live life for Jordan and try to use his life as a lesson to spread love to all those I come into contact with.

I want to send love to all of those affected, especially the Wells family. YOU ARE ALL LOVED!

“ When I first met Jordan he was a customer. It wasn't to long after that we became friends. Age difference did not matter. We spoke often of his trips. I guess I was living through his eyes. I was diagnosed with Cancer in 2020 and Jordan would call to just check to see how things were going. That meant more to me than most would think. We had planned to get our dogs together for play time. I miss you dude!

RIP Jordan and I pray for your parents.

God bless
