“ Joe was like a brother to my future wife, Joelyn Hoetzer. I am so glad that he let me marry her!  
Joe's parents, Jack & Mary Ellen, became my parents' best friends as next-door neighbors on Morse Lake. My young son, Jeff, was ALWAYS so excited to have Joe chase him around their pool table whenever he was visiting! Jeff admired Matt as he progressed in his EMT career.  
Joe & I enjoyed "making fun" of Stan trying to maneuver a rowboat to the dock.  
Susie has always been Jo's BFF!  
We miss you, Joe. Fair Winds & following seas.

“ We loved our beloved neighbor and dear friend Joe. We enjoyed sitting on his deck with him sharing a cocktail and listening to his endless stories, especially how his day went at the golf course. He was truly one of a kind and we are grateful to have befriended him...he leaves us with many wonderful memories. He will always live in our hearts and we will forever imagine him sitting on his deck. May his memory be a blessing...  
With Deepest Sympathy,

*Joe always had a sincere good morning greeting, asked how I was, and how was the wife....several years ago I misplaced my wallet, Joe found it and drove it out where I was on the course ! The following Saturday morning I brought a six-pack to his front door and he insisted I come in to meet his wife and see his recently renovated kitchen ! Just a great guy who will be missed by many !*

*My condolences to Joe's family for their loss. I worked with Joe for nearly 10 years. He impressed me from day one. No River Glen employee was more dedicated, more focused in performing the responsibilities of his job than Joe.*  
*The owners of River Glen Golf Course and their patrons will miss him.*
