“ Aunt Joyce was my favorite aunt ! I always looked up to her and Tom both as my role models in Life . When we were together we always had a fun time ! She was always there for me if I needed to talk about something or a shoulder to cry on . I miss her already ! My favorite memory is when she took me and my brothers to Buckingham fountain downtown Chicago to see the light show at night when we were kids. I always envied her adventurous spirit and how they traveled all over the US ! I think that's were I get my love to travel and explore new places.
