“ Aunt Judy, I have been searching for you for years. I am so sad to see that you passed before I found you. You look so beautiful in your picture. I still haven't found daddy. David, Steve and Bea don't remember you. But I do. You were a big part of my life, my idol when the Beatles first came to America! The best babysitter ever and you had a beautiful daughter, Tracey. Uncle Ronnie was a good man.

No one knows the mental stressors you endured during your life, like me. I love you and can remember your voice like I had just spoke to you.

I will see you in Heaven.

Love always,

Kathy (Katherine Lynn Watts - Garivay - Tucker)

“ Judy was a good person and will be missed by our entire Sunday school class. She had a strong faith and we are happy she stayed faithful through her long and difficult journey. She was kind to everyone and a blessing to those who knew her.

“ *Judy will be dearly missed at church and spending Thanksgiving with our family. She was always so pleasant and we always enjoyed her company. She really enjoyed doing crafts on Thanksgiving Day with us. And she was a woman of great faith and loved God dearly. We thank God for the short time we had with her. We love you Judy.*
