“ Some good times:

*eating quesadillas at Charlie & Barneys; sharing cinnamon apple chocolate ice cream, while there I told mom that I did her a favor and started her washer and dryer at her apt. but I did not know what I was doing. She asked me if I hooked the portable washer up to the kitchen faucet, I said "no." Poor mom had to run home and hook it up correctly. but she just laughed about it. Then, we finished the ice cream when she returned to the restaurant.*

*Another time: sitting in her car while my partner went inside to a shop someplace, she helped me study for a human disease class. She tested me on the terminology and explained more about the procedures and diseases as we went along. I got an A.*

*Going to Wal-Mart for groceries, and avoiding the mall cop guy that always yelled at people who parked too close to the entrance.*

*Being in the hotel in Madison Indiana, and eating caramel corn while watching chuck Norris on TV. And, mom telling me how maudlin she thought the ending was. And, us laughing about it.*

*Going to the movies on the eastside with mom and seeing a Barbara Streisand movie, and mom saying it was too shumtzee and maudlin and then we laughed about her reaction.*

*Mom taking me to see Nik Fiend and Alien Sex Fiend in Cincinnati, Ohio; having a great time, and we even "miracled" some guy with a huge green Mohawk by buying him a ticket.*

*Going to see "Cabaret" at the Indianapolis cabaret theater. and, then greeting the entertainers afterwards.*

*Mom taking care of my cat :Max, who hid the whole time I was gone. (a week) and mom never seeing him but knowing he was eating the food she put out for him.*

*Mom telling the employees at a burger joint to clean the tables because there was no clean place to eat.*

*Mom teaching me to tell the hotel manager to refund my money for a dirty room with bad plumbing. And they did refund it all.*
