“*I used to work with Judie at the Methodist research center. I read a preliminary version of A LOVE BEYOND TIME. she was such a talent in many ways. Her paintings and other art works were stunning. I have saved cards from the Beaded Pony because I couldn't part with the artwork on the card. I own a print of the young Indian girl who had no partner for the two step and remember her inspiration for that stunning piece of art. Judie will be missed but not forgotten. It's been many years since I saw or spoke to her but she remains a special person in my life. Rest peacefully Judie. Pat Brown*”
