“ I was blessed to have been your mother's Avon lady and also a friend. We enjoyed many visits together both in person and on the phone. I know she loved volunteering at St. Francis Hospital. She spoke so highly of her family and I am thinking of you during this difficult time.

“ Judy was a wonderful nurse and such a friendly volunteer! She was the RN who wheeled my first born and I out of the hospital in 1980. She later became my mail delivery in my office. We shared many memories together. She spoke of her dear husband and family who she loved so deeply. Heaven gained a special angel.
