“ Our deepest sympathy to the Steffey family! Judy was a delight to our Indy Observer Team during all of her 32 years at IMS. Knowing how she served here on earth and especially at IMS gates - assures us that she will be somewhere near the heavenly gate to welcome us home.

“ Judy was always very kind to me and changed my course in life by promoting me to a supervisor position twice at IMS. I never hesitated to tell her thanks every time I saw her. The last time I saw her she looked really good and rested. It will be sad not being able to talk to her again. I will do my best to keep her memory alive! RIP Boss!

“ I talked to her a few times in messenger the last few years. Back in high school we had no idea we would have this medium. I was with her in a few classes also back at Scecina. She was always smiling and friendly. Sorry for your families loss.
