“ Dear Ray, Taylor, Elle, and Judy’s entire Family & Friends. Although I planned to travel to Indianapolis this week to celebrate Judy’s life with all of you, and to say goodbye, my love and sentiments come from Austin, TX due to the travel circumstances.

Here is my story to share about my lovely friend Judy. In 1984, I met Judy as a newcomer to the Indianapolis Xerox sales team. Judy made sure that I was welcomed, then positioned for success, and soon a friendship developed. We both lived in Castleton Farms, drove Volvo’s and most importantly were well known dog lovers. Within a year, my husband was transferred to another state and Judy offered her home to me and my dog Chivas so I could finish my year at Xerox before transferring to Louisville Ky. That was Judy, knowing what others really wanted and working to make it happen.

Judy’s, Golden Retriever, Murph (Murph!) and Chivas, an Afghan Hound, both very young dogs now became roommates too! We had a wonderful time living together and enjoyed many visits to the lake on Judy’s boat. During the summer of 1984, Lesley Sarkesian, who I met for the first time then, came to visit her best friend, Judy. During this visit, Judy and I had to go to Xerox and work on a project, so we asked Lesley to doggy sit until we returned. We mentioned to Lesley to have fun with them, but not let them have the run of the house. Well, while Lesley thought the two dogs were behaving, she really did not know how mischievous they had been. Upon returning, we all discovered that Murph and Chivas had gotten to the second floor and had the time of their lives messing things up. While we were so surprised, we laughed heartily, and the situation bonded us three women forever. It might be a story where you had to be there, but it stuck with us and was repeated through the years because both Judy and I were fooled by our furry buddies. Judy is in Heaven and joined by her beloved animals who waited for her at the Rainbow Bridge. They are back at Judy’s side as she continues to be with us in our hearts and memories. I am grateful to have known

Judy and been in her circle of friends. My family and I extend our loving condolences to all of you. She is in our hearts and memories forever.

“ *I always looked forward to seeing Judy at the lake. We shared so many wonderful times talking across the yard, sharing drinks and dinners and watching the sunset. I loved Judy's candor she never held back in what she was thinking. I will truly miss those times. I know the summers will never be the same again without her . RIP Judy love Sherill and Steve Myers*

“ *So many memories over the years. College life, sorority sisters, spring breaks, trips to Lake Hamilton, trip to Austin & our last trip to Fort Meyers! She was the glue that brought us & held us together! I wish we could have made the trip to California this pass October. We just have to cherish the memories we have! I was planning on seeing her one last time not to say goodbye but to say "I love her & will see her later" God willing!*

“ *The summers of 1972, 73,74, 75 and alot of 76 were spent every day with Judy. We worked daily for Habig Garden Shops. After work we hung out most nights. We had so many perfect summer nights, days and holidays together. She and her family invited me for thanksgiving and Xmas holidays while at Purdue. She was my family and I'm so grateful for her friendship. Love always! Bev B.*
