“ I remember riding the Emmaus school bus and picking up Joel when I was in the 8th grade. Mrs. Butcher always had a "good morning" smile on her face as she watched Joel get on the bus! I also remember how helpful she and Mr.Brutcher were to my mom with some old coins she had. As I got into teaching at a Lutheran school I would always see her at the conferences...she always smiled and had positive things to say. Good thoughts and prayers are with her family. It is now "well with her soul" ...a beautiful lady!
