“ Karen and I worked closely together for many years at Indiana Farmers Insurance. She was a trusted co-worker, diligent and accurate. She taught me a great deal and helped me have success sharing her skills with me as I developed as a young manager. She was also very kind, and we were friends when we worked together. I had lost touch with her in recent years, and now I know why. Please accept my deepest condolences on your loss. She was a kind lady, exhibited goodwill at all times, and talked of her love for her family always. I will always be thankful that I knew her, and worked with her. God bless you, and Karen.

“ John, Angie, Teresa, Steve, So many memories we have of you 'kids' in our SS and Children's Church. Many memories of your Mom and Dad and of course Grandma/Grandpa Freeman. We did talk to your Mom a few years ago and I'm sorry I didn't call again. We know she loved all of you and your children and families - I don't know if the you boys have married and or if you still lived with her, Steve and you John in Gpa/Gma's place. I had hoped to get to talk with Angie and will try calling again as I was glad to get your number Angie from the church office.

I would love to be there for the service for your Mom and to see you all but we are not going to be able to make it - so sorry. Know our thoughts are with you and also our prayers. Love and His blessings!
