“For 20 years Karl was the most fun guy of the 20 guys on the Myrtle Beach golf trip. He really knew how to have a good time and kept us laughing every day of every trip. The world has lost a great guy. We all loved him and will miss him very much.

“I worked with Karl at Citizens Energy Group. Although I didn't interact with him on a daily basis, whenever I did he was ALWAYS so kind, considerate and helpful. I am so saddened to learn of his passing. Prayers to his family during this terribly difficult time.

“Gone too soon another one of my childhood/teenage/adult friends.....Karl Was(is) part of a close-knit bunch of boys in a wonderful neighborhood to grow up in... We were in a lot of ways like *The Goonies*, lol there's a hundred stories to tell about our group I won't go into details because I'm not sure how statute of limitation laws work?, actually the things we did never harmed a person but we had a lot of adventures in the neighborhood I'm going to miss you Karl , RIH buddy 🙌

I was a family friend and use to babysit for Karl and Albert when they were just little. I am Rick Seconds big sister and babysat for the boys as a teenager. It was always a joy to watch Karl and he will be missed. My condolences to all of his family...

My condolences to Karl's whole family. Though I didn't know Karl that long, I was happy to be a part of he and his family's life when Karl and his brother Albert finally united with their older sister "Mary." I am so glad they got to know each other and share a special sibling love before Karl passed. I am so truly sorry for everyone as Karl was such a genuine and loving person. He definitely was one of the sweetest and loving men I have ever met. God rest your soul Karl, as you are an Angel in Heaven now. Prayers out to his children and grandchildren.
