“ My mother worked with Katie at the old St. V's in the 60's. Katie became a dear friend of our family and often took me and my two sisters to a movie or to spend the night. The most fun was going to her family farm where we would play Yahtzee with the Goodins. In later years, I ran into her at LF but it's been awhile. May her soul rest in peace.

“ Katie always greeted me with a big smile and bigger hug. She was such a kind and generous person. No matter what she was going through, she always asked me how I was doing, and wanted to talk. The love and caring that the Goodin family gave to Katie in her declining health, is an example to me of what a family should be. My prayers will continue for you all as you grieve and miss your beloved Katie. Sheila Murphy

“ My favorite memory of aunt Katie was a trip to California with her, Rosie, Grandma Kate, Jacki and me. We drove there and of course stopped at Graceland, which was pretty cool. She was a wonderful aunt and always happy to see you. She will be missed.

“ Here is my first memory of Katie. I drove to Oldenburg with my parents to visit Katie at her convent school. As I recall she changed her mind about becoming a nun, maybe just before graduation. I always thought of Katie as a very nice and very classy lady!

I retired a year ago from Davita and Katie was one of my patients. One of my favorites and one of the sweetest people one could ever meet. I worked closely with her over the years she was on dialysis. A faithful servant of God and a fine lady! She will be greatly missed!
