“ I will miss my "crazy Kay" so much. Her laughter and smile was contagious. The poker parties were such a huge part of our lives, and the memories of all the friendship, love, and laughter we all shared warms my heart. Love you Kay!

“ My Kay! I'm going to miss her so. Kay wasn't just a friend, she was family, and not just to me, but to my husband and children also. Kenney (my husband) was dubbed "her boyfriend", Lovie (our daughter) "her bff", and Cameron (our son) "her buddy". We will all miss her, but are so very grateful for the time we spent with her. She was there for our milestones moments and that meant the world to us. For all her sass, she had just as much love. We spent countless hours laughing and talking and I'm ever grateful for that. We love you Kay!!!
