“ *What a beautiful person and friend she was. When I made my Cursillo she made that possible because she moved into my home for the weekend and took care of my infant daughter. I will never forget that nor will my daughter who was so well cared for, this being the first time I had left her overnight.*

*We were both clergy spouses and at the Waycross retreats that our then bishop's wife Ann Jones had for us every year, I got to know her and enjoy her wonderful sense of humor so much.*

*As clergy chaplains my husband and I were able to visit her in the care center. I don't think she knew us but she joined in saying the lord's prayer. The last time we saw her she was with a group that was coloring pictures of flowers. She was unable to color herself but someone was coloring for her. I commented on how pretty the flowers were. She commented that it was good to keep busy.*

*What a sweet spirit she had as well as a wicked sense of humor. She enriched my life. May she rest in peace, reunited with Pete and all those she loved who have gone before*
