“ Kenny always looked forward to its snowing, knowing I would be there to stay all night when I was driving from Greenfield to Franklin for work, so we could play cards. He nickname me the Snow Woman. He really enjoyed playing cards and looked forward to me staying all night, when he was living with his parents. I am going to miss you Kenny, and you will always be in my heart. Your Aunt Phyllis

“ Kenny, you were one of the kindest, most thoughtful people I remember. It was a privilege growing up with you at ISB, and in seeing you each week at work. You truly captured life by setting a great example, never complaining, and achieving success. Your dedication to your family, friends, and work were stellar. You will be deeply missed.

“ Kenny, It has been a pleasure knowing you and getting to spend Thursday nights at the bowling alley with you. You could always make me smile when I was down and you always had a kind word to say. I will miss your laugh and you picking on me from time to time. Rest in peace and fly high with the angels.
