

Kenneth Ray Peters

September 20, 1947 - January 6, 2008

Kenneth R. Peters, 60, born on September 20, 1947 and passed away on January 6, 2008. Ken, affectionately known as **◆Captain Pete◆** or **◆Ken Bob◆** lived a life full of adventure, travel, and most importantly times spent with friends and family. Ken rarely sat still and his friends and family called him a **◆doer◆** as he was always doing something. In 1998 Ken retired from 29 successful years at the Ameritech yellow pages and then went on to earn his pilots license, open his own Sears Home store, and become a licensed insurance broker with H.J. Spier and Company. Retirement was just the beginning for Ken; it allowed him the freedom to spend more time at his beloved cottage in Michigan living life doing the things he truly loved: flying his plane, riding his motorcycle, boating, fishing, canoeing, kayaking, snowmobiling, skiing and of course entertaining family and friends. To know Ken was to know someone who strived to live life to its fullest each day. He touched the lives of those who knew him with a positive spirit of celebration of the good things in life. We will remember Ken for the energy and enthusiasm he poured into each day. Ken is survived by his wife Jerri Goblen-Peters, his mother, Margie Peters, his daughter and son-in-law Kendra and Dave Howard, his son and daughter-in-law Greg and Michelle Peters, and two grandsons, Dylan and Luke Peters. A memorial service will be held at St. Luke◆s United Methodist Church at 100 West 86th Street on Wednesday, January 9th. Calling is from 12-2pm and the memorial service will begin at 2pm.
