“ *Brenda, Kayla, Sarah, & family,
I have worked with Ken during his years with IWU when I facilitated classes in the evenings. Ken was such a wonderful person, always had his heart with God, and showed such compassion and caring for IWU students and staff alike. I will miss his cheery greetings on the phone to me and his warm greetings before class to catch up about family and prayer support. I am very thankful to have had the opportunity to work with him and learn from his talks (and wisdom) with my classes; he has been such a blessing of support to many people. You will remain in my thoughts and prayers.*

“ Brenda, Kayla, Sarah, & family,
There are those we meet in life who through their life inspires and draws us to a closer walk with God. Ken was one of those people. Actually he still is one of those as we remember his life and his walk with his Savior. May the comfort of the Holy Spirit, the love of Jesus, and the grace of God be with you in the days and weeks ahead and bless you all knowing that Ken is basking in the awesomeness of the one true God.
