

Kristian Andrew Brokaw

July 11, 2022

Kristian Andrew Brokaw went to be with the Lord on Monday July 11, just two weeks shy of his 50th birthday due to complications from a stroke he suffered three years prior.

Kris was born in Indianapolis and spent his childhood in New Palestine, IN. He attended Indiana University where he earned his MBA.

He was a loving father that took pride in the successes of his three beautiful daughters; Cameron Nicole Brokaw, Grace Catherine Brokaw, and Ella Christine Brokaw with his first wife, Missy Brokaw.

Kristian always loved the beach and in 2013, while working at PWC he had the flexibility to move his family to Central Florida.

In 2016, Kristian met the love of his life, Marci Brokaw and they married in 2020. When Kristian and Marci joined their lives, he gained a step-son, Maxwell Christian Myler.

Kristian never met a stranger and was one of the funniest people to be around. He made an impact on anyone he met and his charismatic personality is unforgettable to those fortunate enough to have been in his life.

In addition to his loving wife and four children, he is survived by his Mother, Patricia Brokaw (Chuck); his Father Randy Brokaw (Debbie); his brother, Jeffrey Brokaw; his best friends Ryan Jennings, Steve Couch, Bill Glassing, and John Bright; as well as many loving Aunts, Uncles, and Cousins.

In lieu of flowers, please donate to the Scott Coopersmith Stroke Awareness Foundation in Kristian's honor.

On June 1st, Kris wrote a message to (Bill, Ryan, Steve and myself) saying ...summarized "we haven't been around each other as much, but want to be back in the band" to which I replied, "I didn't know you were out of the band" and then stated, You guys are truly the best. I love you all and can't wait for you to meet my wife. Which made me think of this from my 1988 yearbook. "Jon, To one of my best friends in the world! Looks like we made it through another year, sorry we didn't get to spend too much time together. The next 2 years will be different. Hopefully we can get the old group together. Remember when we first met? Yeah, that's right! It was playing soccer about 10 years ago! Look how far we have come. Both of us varsity soccer players, perhaps we will get to play together in college (if I don't break my hip again). We have been through so much together, I don't even know what to write. You've always helped me through the bad times, and always been there for the good times! (Well most of the good times). Whenever you need any help, for anything, you just call me! We just have 2 years of NPHS left, so let take them to the limit! After HS we'll be onto bigger and better things. Forever forever, and ever! Love ya bud, Kris, Happy birthday Kris. RIP
