“ My heart is broken as I've been friends with the entire Galloway family my entire life. Karla being my best friend for years. Kylar ALWAYS had a special place in my heart. He was a little rug rat when he was little. But he was my lil rig rat. We had a special bond I'll never forget. I'll always and forever hold you near and dear bubby. You were the most talented of the very musically talented Galloway family. When he was 2 he wanted to play the drums all the time so he asked me (knowing as soon as it was clear I'd sneak him up and let him play. Almost instantly everyone stopped to see who was making this amazing heavenly sound. To all their astonishment it was my rug rat. I love you Kylar "D" wain. I'll cherish every tiny memory I have of you. Always your momma #2 Misty Davis-Gilbert.

“ *The last time that I spoke to kylar was Sunday sept 29, he was sitting by himself at work and I ask him “what are you doing here by yourself” and he told me “thinking about life” he said “ you are the only person who treat me right since I got here , you always so kind and friendly with me thank you”, I look at him and smile and told him” am like that with everyone, I welcome everyone” he smile and told me “you are a good person”*

Am so sorry Kylar that I didn't do much. You going to be missed. Thank you for your kinds words to me!!!

We met Kylar a little over a year ago. He was riding motorcycles with my son. My son had a terrible accident, he saved my son that day with his quick thinking. I will always be thankful for him. His heart is what led him. He lived life on the edge, He lived life to it's fullest. So many lives he has touched in such a short time. You will always be remembered for your great hugs, warm smile and big caring heart!

Kylar was an amazing talented friendly young man I met several years ago at Sunday School camp. His smile brightened a room. His love for music was shown with each note he played. His presence & talent will be missed by all .
