“ To my sister, Linda and her family, to Larry's children, Teri, Paul & David and his sister, Maryann. I send my deepest sympathy today. I loved visiting Linda & Larry and could always expect many stories from Larry. He loved his Indiana "Hoosier" family and state and would always let me know they were better than we Illinoisans. I always enjoyed talking with him and hearing the many stories he told me. He loved all the babies and little kids in his life most of all. They brought him many happy days, especially in his final years. I will miss him dearly. My condolences to you all. So sorry I couldn't be there with you.

“ Larry - you have been a great stepfather the last 26 years. Thank you for letting me stay with you and mom when I returned for nursing school. I will forever be grateful. You are one of the biggest Beech Grove fans that exist. I loved going to the games with you to watch the kids play. All the babies love you dearly. You will be missed. Sorry I can't fly home for the service. I think you would understand though. I will be working at the hospital that day and thinking of you and all my extended family. Rest in peace Larry. - Kyle Groce
