“ So sorry to read about Kent's passing. I know Kent from Double 11 CU. He always had a smile on his face! Kent and Rita are two of the nicest people you would ever want to know. “ Kent was my best friend for over thirty three years. He was a repairman on the line when I hired in at Ford. We became friends within the first week. Our families became friends and we moved to Wilkinson and started going to church together and serving together. He was always there whenever we needed anything. He will be greatly missed but we know that we will see him again someday in heaven.
